14. Conditions

The conditions listed in this section are an integral part of this application and the contract.

Premiums invested in a **non-redeemable guaranteed interest account** may not be surrendered or transferred before the maturity date of their respective investment term; interest accrued on such premiums in a non-registered contract may, however, be paid to the owner on an annual basis.

The owner may request a transfer or a partial or full surrender of a premium from a **redeemable guaranteed interest account** before the end of its investment term. However, no interest is credited on any amounts surrendered or transferred within 90 days from the date the premium is invested in your contract. A \$50 transfer fee will also be deducted from any amount transferred from a GIA to another financial institution.

Unless otherwise instructed, Assumption Life is authorized to reinvest the accumulated value of your guaranteed interest account premiums upon maturity of the investment term under the same terms and conditions with the exception of the interest rate, which will be the one determined by Assumption Life for such premiums at the time of reinvestment.

You are not required to keep the invested amounts in the daily interest account for a fixed term. You may, at any time, make surrenders or transfers from the daily interest account, without fees or penalties.

If you selected a **group Non-Registered Savings Account** in section 1 of this application, you acknowledge and agree that your employer is acting as agent for you and on your behalf for certain administrative purposes. You also acknowledge, nonetheless, that the ultimate responsibility concerning administration of the contract is that of Assumption Life. You hereby authorize Assumption Life to forward to your employer (as your agent) all personal information required to carry out any necessary tasks such as making the payroll deductions for premium payment purposes as per your instructions. You understand that only Assumption Life may submit an application to modify your contract to the Canada Revenue Agency.

The **effective date of the contract** is the date upon which Assumption Life receives the first premium payment at its head office along with this application **duly completed, signed and dated**.

If you have chosen to make your **periodic premium investments through preauthorized debit (PAD)**, you must keep this account open. You must also ensure that there are sufficient funds in this account at time of withdrawal. You thereby authorize the financial institution referred to in section 7 of this application to make these transactions as long as your consent has not been revoked in writing. You must notify Assumption Life in writing if you wish to make withdrawals on a different account, change the premium amount or make any other changes to your PAD plan.

If you have chosen to invest in **segregated funds**, you confirm that you have received advice from your financial advisor with regard to investments and acknowledge that the funds you have selected correspond to your investment objectives. Any premium invested in a segregated fund is invested at your own risk, and its value may increase or decrease according to market fluctuations.

Assumption Life uses your **social insurance number** solely for tax purposes in terms of administration of your contract and in compliance with all applicable legislation.

In the case of a **non-redeemable guaranteed interest account**, the premium and interest referred to herein may only be transferred to another financial institution upon the expiry of the investment term.

For all individual contracts, unless otherwise specified by the owner in this application or in any other written notice received at our head office, the **maturity date of your contract** is the anniversary date of the contract on which both of the following conditions are met:

- a. the contract's 15th anniversary;
- b. the annuitant has reached 75 years of age.

No guarantees are applicable for group Non-Registered Savings Account.

You may always modify the maturity date of your contract at any time prior to annuity commencement date, being the maturity date. The maturity date must not exceed the annuitant's 105th birthday. If the maturity date chosen precedes the two conditions set out at paragraph (a) and (b) above, you waive the guarantee at maturity as provided for in the contract.

At the maturity date, the annuity becomes payable to the annuitant, unless the owner has designated a **grantee of an annuity** to receive the annuity payment.

Annuity payment options

At the maturity date we will convert your annuity contract into a fixed monthly annuity payable until the annuitant's 90th birthday, unless the owner has provided us with other specific instructions with regard to the payment terms of the annuity. If the annuitant is over 80 years of age at the maturity date, we will issue a fixed monthly annuity for a specific 10-year duration.

You may always modify the annuity payment option of your contract at any time prior to annuity commencement date, being the maturity date, by providing us with written instructions at our head office.
